Dear Shawn Munro:

I am writing to you on behalf of the Alberta Energy Regulator (AER) panel of hearing commissioners presiding over proceeding 432 (the panel).

On July 13, 2023, the AER issued a notice of hearing to reconsider its April 20, 2022, decision on amended application no. 1932335 brought by Qualico Developments West Ltd. (Qualico).

On July 21, 2023, Qualico requested an extension to the deadline for submitting requests to participate. On July 26, 2023, AER amended the notice of hearing and set a filing deadline of August 10, 2023, for requests to participate, and August 17, 2023, for responses to requests to participate.

Pembina, Qualico, and Plains Midstream Canada ULC were noted as parties to the hearing and were asked to confirm their intention to participate in the hearing. On August 10, 2023, Pembina confirmed its intention to fully participate in the hearing. The panel confirms that, Pembina is a full participant in the hearing and may file written submissions according to the schedule to be set by the panel, speak to its submissions at the hearing, be questioned by the panel and parties that are adverse in interest to Pembina, cross-examine parties adverse in interest to Pembina, and submit final argument.

If you have any questions, please contact the undersigned at hearing.services@aer.ca.

Sincerely,
