

PBR 2015-001

Shell Canada Limited Applications for Multiple Activities Fox Creek Area Applications No. 1822111 and 1822109

Decision

[1] Having completed a review of the applications, the Alberta Energy Regulator hereby issues Approval No. PBR-001 for Application No. 1822111 to construct and operate a number of wells, pipelines, and freshwater storage reservoirs; and Application No. 1822109 to create a water hub; as well as the infrastructure and land access associated with these activities.

[2] A decision on the remaining portions of Application No. 1822109 will be made at a later date.

Context

[3] These applications were submitted under the AER's play-based regulation (PBR) pilot project, which allows applicants to apply for multiple activities in one application.

[4] Authorization of the multiple activities was issued in a single approval.

Affected Locations

[5] Sections 10, 14, 15, 16, 21, and 28; Township 063; Range 20; West of the 5th Meridian.

Application Documents

[6] To view the applications, supporting documents, and disposition documents on line, use the [Integrated Application Registry \(IAR\)](#) available under Systems & Tools on the AER website www.aer.ca.
