## **1 DECISION**

The Energy Resources Conservation Board (ERCB/Board) grants the request by Galleon Energy Inc. (Galleon) to withdraw Application No. 1595197 and will close the application.

## **2 BACKGROUND**

### **2.1 Application**

Galleon applied to the ERCB for approval to produce gas from the Gething Formation in the well located at Legal Subdivision 16, Section 22, Township 82, Range 16, West of the 5th Meridian.

### **2.2 Interventions**

Murphy Oil Company Limited and Shell Canada Energy, which own oil sands rights adjacent to the area of application, objected to the application because they were concerned that gas production may adversely impact their bitumen resources.

## **3 DISCUSSION**

On September 1, 2009, Galleon notified the ERCB that it was withdrawing its application. The Board accepts the withdrawal and the application will be closed..

Dated in Calgary, Alberta, on October 6, 2009.
