Dear parties:

I am writing to you on behalf of the panel of hearing commissioners presiding over proceeding 420 (the panel).

On November 15, 2023, the panel wrote to parties and offered two options for hearing dates. June 11, 12, and 13, 2024, held by video conference, or July 16, 17, and 18, 2024, held either via video conference or in person in Grande Prairie, or other appropriate location.

On November 22, 2023, Concourse and the Wrights provided comments on their preferred hearing dates and location. The Pawluskis did not provide any comments.

Both Concourse and the Wrights stated that they are available to attend a hearing from July 16 through July 18, 2024. Concourse stated that it prefers the hearing be held via video conference and Wrights stated that they can attend either via video conference or in person in Grande Prairie.

The panel has decided to schedule the hearing from July 16 through 18, 2024, via video conference.
