Dear Counsel:

**RE: Request for Regulatory Appeal by Bonterra Energy Corp. (Bonterra)  
Enforcement and Surveillance (E&S)  
Order under Pipeline Act  
(Lic No. 2937, 2938, 5989, 6627, 6869, 14631, 29637, 31521 & 56622  
Regulatory Appeal No. 1863839 (Regulatory Appeal))**

The AER has considered the submissions filed in regard to the above matter and has determined that a hearing into the regulatory appeal requested by Bonterra will be held.

Section 4 of the *Responsible Energy Development Act General Regulation* requires that the AER conduct a regulatory appeal with a hearing if it appears the concerns of the eligible person requesting the appeal have not been addressed through an alternative dispute resolution process or otherwise resolved.

As the concerns of Bonterra have not been addressed or resolved, the Chief Hearing Commissioner has been asked to appoint a panel of hearing commissioners to conduct a hearing of Appeal No. 1863839.

Sincerely,

[Original signed by:]
