**Re: Proceeding ID 359 Tykewest Limited
Prehearing Meeting**

Dear Sir /Madam,

On May 17, 2018 AER counsel hosted a technical meeting with the parties to consider whether the prehearing meeting scheduled for June 4th should proceed or be deferred to allow the parties to continue their negotiations through ADR. Following a brief discussion the parties agreed that the prehearing meeting should be deferred to another date. AER counsel explained that it would share the minutes of the meeting with the panel.

The panel has reviewed and considered the minutes of the technical meeting. Noting that all parties are in agreement with the deferral, the panel has decided to postpone the prehearing meeting scheduled for June 4th to a later date in the summer. The panel is available for a one day prehearing meeting on August 14, 15, 16, 17, 22 and 23.

The parties are asked to review their availability in August and provide the dates they are available to attend a prehearing meeting on the above dates. The parties are requested to provide that information to the panel by Wednesday, May 30, 2018 by email to [hearing.services@aer.ca](mailto:hearing.services@ aer.ca).

If you have any questions, please contact the hearing coordinator, Mike Schuster, at 403-297-6013 or email hearing.services@aer.ca.

Yours truly,
