Re: Proceeding 360
Bearspaw Petroleum Ltd. Applications 1877294 and 1878333

On November 26, 2019, the panel of hearing commissioners assigned to this proceeding communicated their decision to hear oral submissions on the motion filed by Harvest Operations Corp. (Harvest) on November 14, 2019. The oral hearing of Harvest's motion was set for Monday, January 6, 2020 at 1:00 pm in Govier Hall. The panel directed Harvest to provide a written update, setting out the steps to permanently shut-in and abandon the wells and all of the gathering system, both as defined in its motion. The update was to be filed by 4:00 pm on January 3, 2020.

On November 27, 2019, Bearspaw Petroleum Ltd. (Bearspaw) filed a response to the panel's letter with respect to the timing of the oral hearing of the motion and Harvest was given an opportunity to file a reply, which it did on November 28, 2019.

The panel has considered comments received from Bearspaw and Harvest and has decided to proceed with the hearing of Harvest's motion on January 6, 2020 at 1:00 pm. In order to provide Bearspaw with notice of all materials for the motion as outlined in section 44(8) of the *Alberta Energy Regulator Rules of Practice*, the due date for Harvest's update has been revised and Harvest's affidavit must be submitted by **1:00 pm on Thursday January 2, 2020.**

Should Bearspaw have concerns about the timing of the oral hearing of the motion in relation to the timing of the hearing of Bearspaw's applications, Bearspaw can apply to the panel to adjourn proceeding 360, which is scheduled to begin on January 13, 2020 at 9:00 am.

Yours truly,
