Robert Meagher
OMERS Energy Inc.

KEYERA ENERGY LTD.
APPLICATION NO. 1886243
STATEMENT OF CONCERN NO. 30729

Dear Robert Meagher:

You are receiving this letter because you filed a statement of concern about Application No. 1886243. The Alberta Energy Regulator (AER) has reviewed your statement of concern, along with the application, the applicable requirements, and other submissions or information about the application. The AER has decided that a hearing is not required under an enactment, or necessary, to consider the concerns outlined in your statement of concern.

In its review of your concerns, the AER considered the following:

- OMERS Energy Inc. (OMERS) requested that “*engagement with OMERS be completed, or there be no reference to discharge or transfer to the OMERS reservoir in the renewed Approval*” regarding the issue of transferring industrial runoff to the OMERS reservoir.
- On June 9, 2017, Keyera Energy Ltd. requested the removal of all references to the OMERS reservoir in their upcoming renewed *Environmental Protection and Enhancement Act (EPEA) approval*.
- All references to the OMERS reservoir have been removed from the *EPEA* approval.

Based on the above, the remedy that OMERS requested has been granted and it does not appear that, based on your concerns, that you may be directly and adversely affected by approval of the application.

The AER has issued the applied-for approval and this is your notice of that decision. A copy of the approval is attached. Under the *Responsible Energy Development Act* an eligible person may file a request for a regulatory appeal on an appealable decision. Eligible persons and appealable decisions are defined in section 36 of the *Responsible Energy Development Act* and section 3.1 of the *Responsible Energy Development Act General Regulation*. If you wish to file a request for regulatory appeal, you must submit your request in the form and manner and within the timeframe required by the AER. You can find filing requirements and forms on the AER website, <http://www.aer.ca/applications-and-notices/appeals>.
