Re: Proceeding 365 Hearing Schedule

Dear Counsel:

I am writing to you on behalf of the AER hearing panel to provide direction with regard to scheduling of proceeding 365.

The panel confirms that it has reviewed the September 14, 2018 submission by CNRL and the September 18, 2018 submission by FLMS with regard to hearing schedule and location.

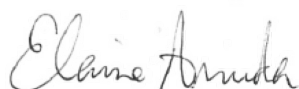

CNRL requested “that the hearing date be postponed *sine die*” and Fishing Lake Metis Settlement indicated in response that “it is in agreement with the request for postponement”.

The panel has decided to dispense with the timeline set out in its September 7, 2018 letter and will postpone the hearing date *sine die*, as requested by CNRL. However, the parties are required to provide a written update to the panel, **no later than 4:00 pm (MST) on November 20, 2018**.

If necessary, decisions regarding hearing location will be made at a later date.

If you have any questions or concerns, please contact me at 403-297-7365 or at hearing.services@er.ca.

Sincerely,

Elaine Arruda,
Hearing Coordinator
