Attention: Ryan Connery

Dear Mr. Connery:

**Re: Tidewater Pipestone Gas Plant
Applications 1900641 and 001-00403309**

The hearing panel has received written notices from filers withdrawing the remaining statements of concern filed in this proceeding. Given that there are no outstanding statements of concern or issues before the hearing panel, the Alberta Energy Regulator (AER) has determined that a hearing of the applications is no longer required and directs authorized staff to disposition applications **1900641** and **001-00403309**.

Sincerely,

Tammy Turner
