APPLICATIONS NO. 1912210, 1912211, AND OSE180016

SOUTHEAST REGION

Dear Ron Donald:

Thank you for your correspondence dated October 2, 2018, in which you outlined concerns about the subject applications. The deadline to file your concerns was 4:00 p.m., on September 12, 2018. Your letter has been received after the deadline for filing a statement of concern (SOC).

The *Responsible Energy Development Act* and the *AER Rules of Practice* (Rules) require you to file a SOC within the deadline set out in the notice of application. The AER has determined the statement of concern was not submitted within the time limit specified in section 5.3(a) of the Rules. As such, the AER has decided to exercise its discretion to disregard it as per sections 6.2(1) (b) of the Rules.

Alternatively, the AER offers Alternative Dispute Resolution (ADR), which provides concerned parties a variety of options to manage disputes including direct negotiation between the parties, AER staff-led mediation, and third-party mediation. If this interests you, please contact Darcy Allen at 780-642-9289 for more information on this process.

If you have any questions please contact SOC@er.ca.

Sincerely,
