**RE: Regulatory Appeal 1927181
Hearing Date and Submission Schedule**

Dear Counsel:

I am writing to you on behalf of the Alberta Energy Regulator (AER) panel of hearing commissioners (the panel) assigned to the above-noted regulatory appeal.

Further to the AER [announcement](#) regarding COVID-19, the panel cannot schedule an oral hearing for this proceeding at this time. However, to continue to move forward in the hearing process, a notice of hearing has been posted to the AER website and published in the Daily Oil Bulletin. In addition, the panel has determined that the following submission schedule is reasonable given the current situation.

April 14, 2020	New requests to participate and confirmation of participation due
April 28, 2020	Response from Canadian Natural Resources Limited (Canadian Natural) and AER Regulatory Applications to any new requests to participate due
May 19, 2020	Submission from ISH Energy Ltd. (ISH) due
June 9, 2020	Submissions from Canadian Natural and AER Regulatory Applications due
June 30, 2020	Response submission, if any, from ISH due

To be determined Hearing start date

The submissions schedule may need to be adjusted if there are any additional participants.

Please note that submissions must be submitted to hearing.services@er.ca **by noon on the stated date**. Submissions should be in PDF format, page numbered to match the PDF page number, bookmarked, and searchable (optical character recognition). Submissions must meet the requirements of section 9.2(2) of the *Alberta Energy Regulator Rules of Practice (Rules of Practice)*.

The panel may direct parties to file additional information that it considers necessary to permit the full and satisfactory understanding of the issues in the proceeding.

The panel will once again reach out to all parties when appropriate regarding availability for a hearing and will set the number of days required for the hearing after submissions have been filed.

For questions about the above, please contact me at 403-297-3232 or by email at hearing.services@er.ca.

Sincerely,

Tammy Turner

Hearing Coordinator, Hearing Services
