Dear Mr. O’Keefe:

Alberta Energy Regulator (AER) acknowledges receipt of your letter dated February 21, 2021 in which you outlined concerns about the subject applications.

In accordance with the *Responsible Energy Development Act* and the *AER Rules of Practice* (Rules), the AER posts public notice for all application submissions on our website, and requires a Statement of Concern (SOC) be filed within the deadline set out in the notice. The deadline to file an SOC was at 4:00pm on February 19, 2021.

The AER has determined your SOC was not submitted within the time limit specified in section 5.3(a) of the *Alberta Energy Regulator Rules of Practice*. As such, we cannot consider or register your concerns as section 45 of the *Rules of Practice* provides that no party may file a document, statement of concern or submission after the time limit has lapsed.

Should you have any questions, please contact SOC@aer.ca.

Sincerely,
