**Re: Withdrawal of Requests for Regulatory Appeal by Edinger, Presisniuk and Nitschke  
Discontinuation of Regulatory Appeal 1941162**

I am writing to you on behalf of the Alberta Energy Regulator (AER) panel of hearing commissioners assigned to this proceeding (panel).

On December 12, 2022, the panel received correspondence from Stacked Energy Ltd. (Stacked) noting it had abandoned its well at 9-27-55-26W4M; the well that is the subject of this regulatory appeal.

After some back and forth, on February 16, 2023, AER Regulatory Applications confirmed that Stacked had submitted abandonment documentation for the subject well. That documentation was accepted by AER Regulatory Applications and the AER's records now indicate that the subject well is abandoned.

In separate letters on March 2, 2023, Daniel and Denise Edinger, Evelyn Presisniuk, and Bob and Judy Nitschke notified the panel that they were withdrawing their requests for regulatory appeal.

Accordingly, the AER has discontinued the regulatory appeal and a public hearing will not be held.

Sincerely,

C. L. F. Chiasson

Presiding Hearing Commissioner
