**Statement of Concern Submission  
Kelt Exploration Ltd.  
Application No. 32143025**

Dear Joe Knobloch:

Alberta Energy Regulator (AER) acknowledges receipt of your letter dated March 16, 2023, in which you outlined concerns about the subject application.

In accordance with the *Responsible Energy Development Act* and the *AER Rules of Practice* (Rules), the AER posts public notice for all application submissions on our website and requires a Statement of Concern (SOC) be filed within the deadline set out in the notice. The deadline to file an SOC was at 4:00pm on March 16, 2023.

The AER has determined your SOC was not submitted within the time limit specified in section 5.3(a) of the *Alberta Energy Regulator Rules of Practice*. As such, we cannot consider or register your concerns as section 45 of the *Rules of Practice* provides that no party may file a document, statement of concern or submission after the time limit has lapsed.

Should you have any questions, please email [SOC@aer.ca](mailto:SOC@ aer.ca).

Sincerely,
