Dear Chris Heavy Shield:

The Alberta Energy Regulator (AER) acknowledges receipt of your correspondence requesting an extension for the statement of concern (SOC) submission deadline regarding the applications listed above. The deadline to file a statement of concerns expired on March 9, 2019 at 4:00 pm and your request was received on March 25, 2019.

In accordance with the *Responsible Energy Development Act* and the *AER Rules of Practice* (Rules), the AER posts public notice for all application submissions on our website, and requires SOC's be filed within the deadline set out in the notice of application. The AER has determined your statement of concern was not submitted within the time limit specified in section 5.3(a) of the Rules. Section 45 of the Rules provides that no party may file a SOC after the filing time limit has elapsed. As such, your SOC will not be considered further and will not be registered.
