Re: Northrock Adjournment Request

[By email only]

Dear Parties:

The panel has received Northrock's request that the commencement of the hearing in Proceeding 467 be adjourned by one day, from Tuesday, November 17 to Wednesday, November 18, 2026.

The panel notes Northrock's indication that Tourmaline and TykeWest both consent to the requested one-day adjournment, and that there is sufficient flexibility in the hearing schedule to accommodate starting one day late. The panel also notes that the proposed adjournment is to allow the parties to explore the potential for a comprehensive settlement of the matters between them, which, if successful, would avoid the need for the hearing.

Security Classification: Public

Given the above, the panel grants Northrock's request. The hearing will now commence on Wednesday, November 18, 2026, at 9:00 a.m. An amended hearing schedule will be issued in due course.

Sincerely,

Harold Robinson	Andrew MacPherson	Jillian Campbell
