Renergy Request for Confidentiality Extension

**Dear Counsel:**

We are the Alberta Energy Regulator (AER) panel of hearing commissioners presiding over proceeding 461.

On May 6, 2026, Renergy sent a letter to the panel asking for an extension of the current confidentiality order to include any letters of intent that are **filed**. In its request, Renergy stated the basis for making this request is that these documents are confidential commercial agreements with confidential financial information, and all parties have treated this information as confidential.

Renergy requested that the confidentiality period for the pricing information contained in the letters of intent be extended from six months to a year, or when the information is otherwise publicly disclosed (i.e. pursuant to public company disclosure requirements), whichever comes first. Regulatory Compliance stated they had no comment on Renergy's request.

Having regard to the nature of the information, we are prepared to grant Renergy's request; the letters of intent in their entirety will be treated as confidential. The period of confidentiality will be one year or when the information is otherwise publicly disclosed, whichever period is shorter.

We ask Regulatory Compliance to modify their confidentiality undertakings to reflect the above as soon as possible. Renergy is asked to submit the confidential information to [hearing.services@aer.ca](mailto:hearing.services@aer.ca) by **noon on May 7, 2026**.

**Sincerely,**

**Brian Zaitlin**  
Hearing Commissioner  
(Presiding)

**Jillian Campbell**

**Shona Mackenzie**
