Dear Kim Dertien-Loubert:

Thank you for your correspondence on behalf of Cam MacDonald dated July 22, 2019, in which you outlined concerns about the subject application. The deadline to file concerns was July 6, 2019 at 4:00PM; your letter was received after the deadline for filing a statement of concern (SOC).

In accordance with the Responsible Energy Development Act and the AER Rules of Practice (Rules), the AER posts public notice for all application submissions on our website, and requires SOCs be filed within the deadline set out in the notice of application. The AER has determined your statement of concern was not submitted within the time limit specified in section 5.3(a) of the Rules. Section 45 of the Rules provides that no party may file a SOC after the filing time limit has elapsed. As such, your SOC will not be considered further and will not be registered.

If you have any questions, contact me at 403-910-0463 or SOC@aer.ca.

Sincerely,
