Subject: CAPP submission to AER on Reservoir Containment

Good afternoon Kirk,

Please see the attached CAPP submission in response to your request for feedback on the 5 AER technical reports of June 24, 2014.

If you have any questions or would like further follow up, please give me a call.

I have arranged a meeting with the AER project team to discuss the submission early next week which you are more than welcome to attend if you desire.

Happy New Year and Best Regards,

Patrick
