

Short-Term Ethane Removal Application

For permit to remove ethane from Alberta in volumes less than 3 billion cubic metres (m³) and for a term of not more than 2 years.

This application is made under Section 2 of the *Gas Resources Preservation Act*. Use this form for new permits and amendments of existing permits.

Remember to answer all questions and to add attachments if the space provided is inadequate. The AER reserves the right to require an applicant to furnish additional information as it deems necessary to complete or supplement the application.

1. Request is for New Permit
 Amendment to Permit No. _____

2. Change of permit holder (amendment of permit):
Existing permit holder _____
Proposed permit holder _____
 The proposed permit holder agrees to assume and perform all of the obligations and duties of the existing permit holder under the permit.

3. Permit(s) No. to be rescinded (if applicable) _____

4. Total volume of ethane proposed for removal:
Existing volume authorized (if applicable) (m³) _____
Proposed volume authorized (m³) _____

5. Term of permit
Existing term and commencement date (if applicable) _____

Proposed term and commencement date _____

6. Name of proposed market(s) and location and type of end-use customer(s) to be served under the permit.

7. Are arrangements in place for transporting the applied-for ethane from the Alberta receipt point(s) to the intended end-use customer(s)?

Yes

No

If No, describe the transportation arrangements involved, including comments on when it is anticipated that any new facilities to be built would be completed.

8. List the name and location (Legal Subdivision-Section-Township-Range, Meridian) of the facilities from which the ethane will be obtained.

Reporting Requirements Associated with an Ethane Removal Permit

Complete a monthly ethane removal permit statement for each permit and file it electronically with the AER by midnight on the 28th day of the month following the data month. The data month is the month when the ethane is delivered. If the 28th is not a business day, the deadline falls on the next business day. Complete and file the form for each permit even if no ethane has been removed. Questions on reporting may be directed to the AER at GRDAdmin@aer.ca.
