

AER Update on Imperial Kearn: May 30 – June 6, 2024

Hello everyone,

Please find the latest information regarding the Alberta Energy Regulator's continued regulatory oversight of Imperial under the terms of the environmental protection order.

If you have any questions, please reach out.

AER Highlights

- NODA, WETA, DP4, and WB3 areas were inspected by the AER on June 6
- The AER's next planned site inspections are planned for June 12 and 13
- SMEs are currently reviewing the following documents and Imperial's responses to supplemental information requests (SIRs) from the AER:
 - Source Control and Containment Plan – Imperial presented findings to the AER on June 3
 - The conceptual Site Model Interim Report was accepted by the AER
