

AER Update on Imperial Kearn: March 21 – 28, 2024

Hello everyone,

Please find the latest information regarding the Alberta Energy Regulator's continued management of Imperial Kearn under the terms of the environmental protection order.

If you have any questions, please reach out.

AER Highlights

- NODA, WETA, DP4 and WB3 areas were inspected by the AER on March 25, 2024.
- The AER's next planned site inspection is planned for April 2, 2024.
- AER SMEs are currently reviewing the following documents and Imperial's responses to supplemental information requests (SIRs) from the AER:
 - Update to the Source Control and Containment Plan,
 - Conceptual Site Model Interim Report.
